SHIRLEY TEMPLE
Grown from bulblets

Cash Prizes

offered for Winnings at the
MAJOR SHOWS
Over the Country

this coming Show Season of 1937

To show my friends and customers my appreciation for their help in advertising my new Gladiolus—Shirley Temple, Early Peach, and Paradise, I am offering the following cash awards for prize winning blooms.

Medium and small bulbs are all you need to grow exhibition spikes of either of the three varieties.

If you win the champion spike of Shirley Temple at the National Show, you will be given a cash prize of \$50.00. If you win the champion spike at any State or Major Society Show which publishes a prize schedule carrying notice of same, you will be given a prize of \$10.00.

Anyone winning the Sweepstakes at the National Show with three or more spikes, or a basket, of Early Peach or Paradise, will be given a cash prize of \$25.00. At any State or Major Society Show, the winner will receive \$5.00. Only one prize will be allowed in any one show, the judges to determine the winner.

Do not think I am doing this just to get money. It is not necessary for you to buy the bulbs from me. Get them from anyone who has them for sale. I am thankful that my sales to date justify me in making this offer. My planting time is here and stock will be available only a short time.

If you have not bought your bulbs already, I still have some left of all three varieties at the following prices:

SHIRLEY TEMPLE.....Large, \$10.00 each; Medium, \$7.50; Small, \$5.00;
Bulblets, \$1.00 each.

EARLY PEACHLarge, \$3.00 per dozen; Medium, \$2.50; Small, \$2.00.

PARADISELarge, \$3.00 per dozen; Medium, \$2.50; Small, \$2.00.
